3. Barriers to future attainment for PP children	
In-school barriers	
A	Special educational needs and disabilities (SEND) impacting children’s ability to access learning, to attain age-related expectations (ARE) or to make expected levels of progress expected.
B	Social, emotional and mental health issues which may impact pupils’ ability to learn and practise positive learning attitudes.
External barriers	
C	Social issues faced by some families affect pupils’ experiences through inconsistent school attendance, parental engagement, level of support at home or lack of access to enrichment experiences.

4. Outcomes		
	Desired outcomes and how they will be measured	Success criteria
A	Improved progress for Pupil Premium pupils in all areas; pupils to make progress in line with their peers.	Progress is monitored closely via: half termly data collected progress and attainment and termly Pupil Premium monitoring at Pupil Progress meetings with the Head. (PP children are individually tracked – but not noted in this

		plan as confidential). There will be a focus on demonstrating 'closing the gap' and accelerating progress to the expected standard. Pupil Premium children make comparable progress to other groups in the school.
<b>B</b>	Improved Learning Behaviours by engaging support for welfare and social issues leading to greater rates of progress.	Observations and 1 to 1 sessions identify improved attitudes to school and learning. To continue to work closely with families to support children who find school a challenge. Pupil Premium children make comparable progress because they feel safe and supported at school.
<b>C</b>	All PP children have access to the full curriculum offer	Funding will enable all PP children to attend school trips without any cost. They will also be able to access music lessons or after school clubs without charge.
